Change log for ebXML Registry Servces (RS), 2nd Review

1. Changes made throughout the document

1. Changed header to *'March 2001'*
2. Changed format of participants to *'name, organization'*
3. Changed Section 2, Participant text to read: *ebXML Registry Services, v.089 was developed by the ebXML Registry Project Team. At the time this specification was approved, the membership of the ebXML Registry Project Team was as follows:*
4. Changed title page to reflect document template.
5. Changed copyright statement to reflect document template.
6. Removed section numbers from the Reference, Disclaimer and Contact sections. The document template does not address Appendices. Therefore common practice was used.
7. Add statement to Section 3.2 Conventions: *Capitalized Italics* words are defined in the ebXML Glossary.
8. Updated the Related Documents Section (3.4) to reflect correct document names and current version numbers. Removed document descriptions.
9. Changed naming conventions for referencing ebXML documents to suggestions in Tim McGrath email of April 3, 2001 (to ebxml-stc).
10. Changed relevant words defined in ebXML Glossary to *Capital italics.*
